## GREETINGS!

You are about to become involved in an exciting spiritual exercise. God has given you one or more spiritual gifts if you are a Christian, and discovering that gift or gifts will be a thrilling experience.

You will be asked to answer the 125 questions found in the Wagner "Modified Houts Questionnaire." This spiritual gifts discovery instrument was originally suggested by Dr. Richard F. Houts, a professor in the North American Baptist Theological Seminary, in 1976. Subsequently it has been modified by C. Peter Wagner of the Charles E. Fuller Institute of Evangelism and Church Growth., and keyed in to his classic book, *Your Spiritual Gifts Can Help Your Church Grow*, now the bestselling book in the field of spiritual gifts. The copy you have in your hand is the fifth edition and the first complete revision of the original published version.

Thousands and thousands of believers have been blessed by taking the Modified Houts Questionnaire. Constant feedback from them has enabled us to refine it to the point where it will give you a fairly accurate picture of what kind of ministry God expects you to be carrying out in your group of believers.

However, do not regard the results of this test as final. The three or four gifts you score highest in may or may not be your spiritual gifts. But you can be sure in any case that they are a starting point for prayer and experimentation. You will need other members of the body of Christ to help you confirm what gifts you have.

An excellent use of this questionnaire is to fill it in as part of the "Spiritual Gifts Discovery Workshop" offered by the Fuller Institute. A pastor or teacher in your church can administer this workshop, and the Fuller Institute provides all instructional materials needed by both teacher and participant.

C. Peter Wagner
